Each Owner of a Lot subject to this Declaration, for as long as such person is the owner of such Lot or Lots, shall abide by this Declaration and by the bylaws of Carolina North Property Owners' Association, Inc., as may be enacted or amended from time to time.

Section 2. Upon formation of the Association, Declarant shall execute an instrument transferring all rights, title and interests in the Common Areas and/or Common Open Space to the Association, and the Association, once formed, shall have the right to promulgate rules and regulations concerning the use of the Common Areas or Common Open Space as long as such use is in compliance with the subdivision regulations, if any, for Gaston County, North Carolina. No trees may be removed from the Common Areas or Common Open Space, and no improvements, including fences, made or erected, except with the approval of the Association. Each person acquiring title to a Lot binds for himself, his heirs, and assigns to be members of the Association, and further binds and obligates himself, his heirs and assigns to pay an assessment obligation for the maintenance of the Common Areas or Common Open Space once levied by the Declarant or the Association. The obligations imposed by this paragraph shall exist whether or not the Association has been formed as of the date this Declaration is recorded, or as of the date any Lot is sold.

Section 3. The Association shall be the governing body for all Owners with respect to the management, administration, maintenance, repair and replacement of the Development, as provided by this Declaration and the Bylaws.

Section 4. Membership in the Association shall be composed of and limited to Owners of Lots 1-28, as shown on the Final Plat of Major Subdivision for Carolina North Subdivision. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Upon termination of ownership of a Lot, such Owner's membership shall automatically terminate and be automatically transferred to the new Owner of the Lot.

Section 5. The Association shall have a single class of voting membership. Members shall be all Owners of Lots, including Developer for so long as Developer remains the Owner of any Lot. Members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an ownership interest in any Lot, all such persons shall be Members, but no more than one vote shall be cast with respect to any Lot. The vote for any such Lot shall be exercised as the Members holding an interest in such Lot determine among themselves. In the event of disagreement, the decision of Members holding a majority of interest in such Lot shall govern. Unless otherwise notified by a co-owner as to a dispute between the co-owners regarding their vote prior to the casting of that vote, the vote of any co-owner shall be conclusively presumed to be the majority vote of the Owners of that Lot.

ARTICLE VI

COVENANT TO PAY ASSESSMENTS

Section 1. Every Owner of any Lot, with the exception of the Declarant who shall not be subject to this Covenant to pay annual dues and assessment on Lots owned by the Declarant, by acceptance of a Deed therefore, whether or not it shall be so expressed in such Deed, covenants and agrees to pay to the Association such regular annual assessments or charges, and such special assessments or charges, as may be levied by the Association pursuant to the provisions of this Declaration or the By-Laws of the Association. No assessment shall be due except with respect to Lots shown on a recorded subdivision plat, as may from time to time be added or amended. Said annual assessments or charges shall be timely paid in the manner established by the Association, said annual charge being a reasonable, necessary and proportionate charge for the maintenance, upkeep of common areas and the operation of the Association. The annual assessment may be increased by an amount consisting of the greater of \$20.00 or 10% of the assessment for the previous calendar year. This covenant to pay charges and assessments shall be deemed to run with the land and the nonpayment of the annual charge, together with interest, court costs and reasonable attorney's fees shall be a charge and continuing lien upon the applicable Lot in favor of said Carolina North Property Owners' Association, Inc. The lien provided for herein shall be prior to all other liens recorded subsequent to the recordation of such notice of assessment. Any dues, assessments or other charges which remain unpaid for more than thirty (30) days shall bear interest at the legal rate. Any lien arising under this section may be enforced by foreclosure in accordance with the provisions of Chapter 47F of the North Carolina General Statutes or in any other manner permitted by law. The Association shall have the power to purchase the Lot at a foreclosure sale and to hold, lease, mortgage and convey the same.

Section 2. At each closing of a lot the buyer shall make a contribution to the capital funds of the Association of \$400. Until such time as the Association is formed, such fee or contribution shall be paid to the Declarant for construction maintenance during the road warranty period. If any

damage to any road by a Lot Owner, or any guest or contractor of such Lot Owner occurs, said Owner shall be responsible for such repairs in addition to the capital contribution fee.

Section 3. Any assessment or annual charge not paid within thirty (30) days after the due date shall be delinquent. The Association may require that any delinquent assessment or charge bear a late charge to cover administrative expenses incurred as a result of the late payment of the assessment. Late charges on delinquent assessments and fines levied as provided herein shall not exceed those permitted by applicable law.

Section 4. The Association shall further have the authority to assess reasonable fines or suspend membership rights or privileges for violation of the provisions of this Declaration, according to the provisions of North Carolina Planned Community Act.

Section 5. In addition to the right to foreclose on any lien under the provisions of Chapter 47F of the General Statutes, the Association may bring legal action against the Owner personally obligated to pay a delinquent assessment or fine. In any foreclosure or other legal action to enforce payment of an assessment or fine, the Association shall be entitled to recover interest, costs and its reasonable attorneys' fees.

ARTICLE VII

INSURANCE

Section 1. The Association shall have the option and the authority to maintain fire and extended coverage casualty insurance on the Common Areas and the Common Open Space in an amount not less than the full insurable value thereof (based upon current replacement cost), and liability insurance with limits in and amounts adequate, under standards in the insurance industry existing from time to time, to protect the Association and the Members in the event of property damage, personal injury or death occurring in or about the Development. The Board shall have the authority to settle or enforce on behalf of the Association and on behalf of the Members, by legal action or otherwise, any claim arising under any insurance carried by the Association.

Section 2. Each Owner of a Lot shall maintain casualty and personal liability insurance pertaining to his Lot and such dwelling or other structures as are located thereon in such form and in such amounts as the Rules and Regulations may require (or, if the Rules and Regulations contain no such requirements, in such form and in such amounts as is customarily required by mortgage lenders).

Section 3. All policies of insurance carried by the Association, or the Owners shall include a waiver of subrogation if such waiver can be obtained, unless otherwise provided in the Rules and Regulations.

Section 4. The proceeds of casualty insurance carried by the Association shall be paid to and held by the Association as trustee for the Owners, Declarant and Mortgagees for disbursement in accordance with the provisions of this Declaration. Except as otherwise provided herein, casualty insurance proceeds shall be used for repair, replacement or reconstruction to the extent required to

effectuate repair, replacement, or reconstruction in connection with the incident in which insurance was paid.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. No building, fence, wall, other structure, or other improvements shall be erected or maintained upon any Lot, nor shall any exterior addition, change, or alteration be made to any structure until the plans and specifications, (including all exterior elevations, showing the nature, kind, size, shape, height, materials, and other pertinent information relating to the proposed construction), together with the plat plan showing the location of the proposed construction, shall have been submitted to and approved in accordance with this Article VIII (hereinafter referred to as the "Approval Process"). The Approval Process shall consist of submission of the Plans, Plat, and other project documentation in writing to the Declarant or, if formed, the Architectural Review Committee (the "ARC") of the Association, which shall, within 30 days of receipt, review the submission and make a written determination, which shall be final and not subject to appeal, regarding approval or denial of the submission and/or construction proposal. In reviewing the Plans and Specifications, the Declarant, or the ARC as applicable, shall take into consideration the various provisions of this Declaration, as well as the harmony of the external design of the structure or improvement(s), the location and/or function in relation to surrounding lots and structures, and the appearance as viewed from neighboring Lots of Carolina North subdivision.

THE DECLARANT AND/OR THE ARCHITECTURAL REVIEW COMMITTEE SHALL HAVE THE RIGHT TO CHARGE A REASONABLE FEE FOR REVIEWING EACH APPLICATION OF PLANS AND SPECIFICATIONS FOR APPROVAL. DECLARANT AND/OR THE ARC RESERVE THE RIGHT TO INCREASE THE REVIEW FEE IN ORDER TO PAY A REASONABLE FEE FOR PROFESSIONAL ASSISTANCE IN REVIEWING AND APPROVING THE PLANS, IF THE PLANS SUBMITTED HAVE REQUESTED A VARIANCE TO THE DECLARATION.

Initial ARC members shall serve for a term of two (2) years, after which time the committee members shall be selected by vote of the Association at a scheduled meeting and shall serve terms of three (3) years.

After its formation, the ARC shall establish written architectural and aesthetic criteria to be used in reviewing all plans, specifications, and details submitted for approval, and copies of such criteria may be obtained upon request from the ARC. Such written criteria shall be subject to revision or amendment by the ARC at all times; provided, however, that no amendment to or change in such criteria shall become effective until committed to writing and approved by the ARC in the same manner as the previously controlling criteria; and that no amendment or change in such criteria shall have retroactive application.

The purpose of the architectural review provisions set forth herein is to protect the value of all real property subject to this Declaration and to promote the interests, welfare, and rights of all development property owners. Decisions of the Declarant or ARC approving or disapproving of plans and specifications shall be based on criteria it establishes for the Development, consistently applied, but such decisions shall be final and not subject to review or appeal.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 1. Every builder for every Lot must have an active North Carolina builder's license and must be in good standing with Gaston County and the State of North Carolina. If a builder has a history known to the Declarant or the Association of past liens or violations of restrictive covenants, including but not limited to time delays on the building sites and site conditions not kept in proper maintenance, then the Declarant or the ARC may deny approval of that builder within the subdivision.

Section 2. Zoning ordinances, restrictions and regulations of Gaston County and its various agencies applicable to the subject property shall be observed. In the event of any conflict between any provisions of these restrictions and such ordinances, restrictions or regulations, the more restrictive shall apply. The invalidation or unenforceability of any provision of this Declaration by judgments or other Order of any Court shall in no way affect any of the other provisions, and all other provisions of the Declaration shall remain in full force and effect.

Section 3. Any of the provisions of this Declaration may be annulled, amended or modified, in whole or in part, by the Declarant so long as it owns at least one (1) Lot in the subdivision, and after such time as the Declarant has sold or conveyed all Lot to third-parties, at any time by the Association's filing in the Office of the Register of Deeds for Gaston County an instrument setting forth such annulment, amendment or modification approved by the owner or owners of record (as shown upon the records in the Office of the Register of Deeds for Gaston County at the time of filing of such instrument) by a vote of more than sixty-seven percent (67%) of the property owners of the Carolina North subdivision.

Section 4. No delay or omission on the part of the Association, the Declarant or the owner or owners of any lot or lots in said property, in exercising any right, power or remedy herein provided for in the event of any breach of any of the restrictions, conditions, easements, covenants, and agreements herein contained shall be construed as a waiver thereof or acquiescence therein, and no right of action shall accrue, nor shall any action be brought or maintained by anyone whomsoever against Declarant for or on account of its failure or neglect to exercise any right, power or remedy herein provided for in the event of any such breach, or for imposing herein provision, restrictions, conditions, covenants, agreements, liens and charges which may be unenforceable.

Section 5. If any person shall violate or attempt to violate this Declaration, or any of the provisions or covenants herein set forth, it shall be lawful for any other person or persons owning

or having an interest in any Lot or in any portion of said subdivision to institute and prosecute any proceeding law or equity against such person or persons to restrain such violation or to recover damages or other compensation for such violations. In the event of such proceedings between any property owners affected by these covenants, the prevailing party as determined by the results of the litigation shall be entitled to an award of attorneys' fees and cost associated with such litigation.
